

18TH EDITION WIRING REGULATIONS BS7671:2018 (CITY AND GUILDS 2381-18)

**Cost:**

£450 + VAT

Duration:

3 ½ Days

Entry requirements:

There are no formal entry requirements for this course. As a general rule candidates should have knowledge of electrical installation and electrical principles.

Overview:

This City & Guilds 2382-18 – 18th Edition Course is essential for anyone who works or is involved with electrical installations, especially those who work within the domestic and commercial markets.

This intensive 3 ½ day course is delivered in a class room environment and is purely theory based. It will guide you through the IET Wiring regulations breaking down each topic into easy to understand modules.

Modules covered include:

- Scope, Object and Fundamentals
- Definitions
- Assessment of general characteristics
- Protection for Safety
- Selection and Erection of equipment
- Inspection & Testing
- Special Installations or locations

31st July is now fully booked. More dates to be confirmed.
