

CISRS SKILLS TEST & ASSESSMENT (WORKING TOWARDS VQ LEVEL 2)

Cost:

Pricing available upon request, funding maybe available

Duration:

1 day

Entry requirements:

Scaffolders must have completed the Scaffolding CISRS Part 2 course. Where the Skills Test assessment is not following on from recent training CISRS Part 1 & Part 2 training with Training 2000, please select enquiry or contact 01254 54659 and we will be able to advise on next steps.

Overview:

Successful completion of the 1 day in centre skills test and VQ assessment is a mandatory element of the CISRS scheme.

**Assessments:**

Practical Skills Test/Assessment

Who is it for?

Scaffolders working towards their CISRS 'Scaffolder' status. It would be expected that delegates attending this course would already have attended CISRS Part 1 & Part 2 training courses.

Aim:

The aim of this programme is to verify evidence brought forward by trainees who have previously attended the Basic Part 1 and 2 courses and have acquired the necessary level of practical experience.

Method of delivery?

Practical Skills Test/Assessment

Objectives

Trainees' competence will be assessed in the following areas:

- Interpreting instructions and information
- Producing material lists and method statements
- Selecting and checking components
- The practical erection and dismantling of a cantilever scaffold
- The practical erection and dismantling of a roof saddle/stack scaffold.
- Trainee operatives will be able as a member of a team to erect alter and dismantle the above scaffold structures safely and in the correct sequence.
