

F-GAS – LEVEL 3 AWARD IN AUTOMOTIVE REFRIGERANT HANDLING (EC842-2006)

**Cost:**

£200.00 + VAT

Level:

3

Duration:

½ day

Overview:

This Defra-approved qualification offers a single unit solution that provides experienced automotive Mobile Air Conditioning (MAC) technicians with evidence that they meet the minimum F-gas requirement (EC842/2006 AND ANNEX EC307/2008)

**Any other useful Information:**

- All Mobile Air Conditioning (MAC) technicians working with cars and car derived vans, must have achieved as a minimum requirement, a refrigerant handling qualification which fulfils the European Union F-gas Regulation (EC842/2006 and Annex to Regulation EC307/2008).
- Successful candidates will be issued with a certificate which shows they are compliant.
- The assessment ensures rigour and quality of assessment by measuring the candidate's underpinning knowledge, including F Gas regulations. Learners must demonstrate the learning outcomes by following and achieving two assessment components which are set by IMI
- practical assessment
- external test (online or paper- based)
- Can be delivered on site (Please contact for more details)

(On site quotations available on request).
