

PANEL – SENIOR TECHNICIAN IMI ACCREDITATION

Overview:

Full Route – £1240 + VAT (Training and Assessment) | 4 days

Re-Accreditation – £690 + VAT (Training and Assessment) | 2 days

AOM009 is a pre-requisite of this course

Who is the Panel route for?

The IMI Accreditation Panel route is intended for technicians whose job role involves the repair of vehicles typically involved in accidents or similar incident circumstances.

The Senior Technician should be working in the accident repair sector of the industry and have at least three years' experience to ensure they are familiar with the skills, knowledge and techniques required to repair & replace body components, including returning vehicle alignment to manufacturer specification and rectifying bodyshell faults.

Please note this accreditation includes the AOM030 Welded panel section MAG/MIG/Braze/Bond/Rivet.

IMI Accreditation Senior Panel Technician Full Route

Requires re-accreditation every 3 years
