Apprenticeships

## Business Administrator

### Level 3 Apprenticeship

Business administrators have a highly transferable set of knowledge, skills and behaviours that can be applied in all sectors. This includes small and large businesses alike; from the public sector, private sector and charitable sector. The role may involve working independently or as part of a team and will involve developing, implementing, maintaining and improving administrative services. Business administrators develop key skills and behaviours to support their own progression towards management responsibilities.

#### **Duration:** 19 months

Six hours per week need to be dedicated towards portfolio work and training in the workplace

#### Where and how will I study:

Online learning

As well as regular meetings from your Skills Coach you'll also attend additional knowledge classes (online) for half a day a week (for 10 weeks) to support you through your Apprenticeship.

#### **Entry requirements:**

A minimum of two GCSEs at grade 4 (C) or above including English and maths. You may have to complete your English and Maths Functional Skills depending on your GCSE grades.

#### What you'll learn

A business administrator is expected to deliver their responsibilities efficiently and with integrity showing a positive attitude. The role involves demonstrating strong communication skills (both written and verbal) and adopting a proactive approach to developing skills. A business administrator is also expected to show initiative, managing priorities and own time, problem-solving skills, decision-making and the potential for people management responsibilities through mentoring or coaching others.

- Organisational purpose, activities, aims, values, vision for the future
- Organisational structure and demonstrates understanding of how their work benefits the organisation
- Practical knowledge of managing stakeholders
- Laws and regulations that apply to their role
