INFORMATION FOR STUDENTS

Apprenticeships

Dental Nurse

Level 3 Apprenticeship

The Dental Nurse role complements the role of other dental professionals. One of the primary roles is to provide chair side support to dental professionals and deliver a high level of patient care.

Dental Nurses may work in a variety of clinical environments and the Apprenticeship reflects all aspects of clinical responsibilities and duties of a dental nurse's role and will provide the apprentice with the relevant qualification to apply to the General Dental Council (GDC) for professional registration as a dental nurse.

Duration: 18 months - one day per week. Six hours per week need to be dedicated towards portfolio work and training in the workplace

Where will I study:
Training 2000 Blackburn or online learning

Entry requirements:
A minimum of two GCSE at grade 4 (C) or above in Maths and English is required. You may have to complete your English and Maths Functional Skills depending on your GCSE grades.

General Dental Council

On completion of this Apprenticeship the apprentice can register with the General Dental Council as a qualified Dental Nurse.

What you'll learn

Best practice
Work to current best practice for dental nurses

Communication
Use appropriate communication maintaining professionalism at all times and through all media to provide patient-centred care
